BenQ Digital Camera E1465

Panorama

The panorama feature is designed to capture the entire skyline in one single shot by stitching 2 to 3 images into one single and seamless large picture. The E1465 guides you frame by frame into creating the panoramic view you want.

5cm super macro

Take shots from as close as five centimeters away, for incredible detail and an intimate feel with subjects like a dew-speckled blossom or an intricately textured tapestry.

Discover your inner artist

LOMO Effect

The E1465 gives you some delightful special effects that take the fun of photography to a whole new level. Besides pure fun, the FISHEYE, COLOR ACCENT , and LOMO also let you give your shots a unique personal touch.

Fisheye Effect

Without Color Accent

With Color Accent

Enhanced video recording

Shoot high-definition 720p movies, and make sure you don't miss any action by using the clever pre-recording feature, which retains three seconds of footage prior to the start of recording.

27mm wide-angle lens

The E1465's 27mm wide-angle lens lets you preserve memorable scenes like a magnificent waterfront view or a crowded group portrait in photos with an expanded view.

35mm

27mm

High ISO 6400

The ISO 6400 exposure index of the E1465's sensor means you can capture even darkly lit scenes like nighttime vistas or a candlelight dinner in vivid detail.
